

niya tracker 75

**Extra powerful cleaning.
Extra powerful control.**

Fit for pools up to 50 ft / 15 m in length

Meet the niya tracker 75

**Personalized cordless cleaning
taken to the next level**

The Niya Tracker 75 is a cordless robotic pool cleaner that takes cleaning power up a notch with all the convenience of hassle-free customization.

Effortless. Easy. Efficient. Reclaim your leisure time thanks to effortless tech-powered cleaning.

Powerful performance for clear water

Tracker 75 delivers next-level cleanliness with dual suction brushless motors, a dual active brushing system and a hyperfine filter for superior cleaning.

Smart sonar tech for energy efficiency

Smart sonar technology guides the robot to systematically scan the pool, navigating with precision for energy efficiency.

Complete cleaning coverage horizontal waterline

2 active brushes empower scrubbing across the entire pool, walls, and waterline. Effective horizontal waterline technology for scrubbing dirt along the pool's waterline.

App-powered cleaning mode customization for complete control

Use the Niya app to select out of 5 cleaning modes - ECO, waterline only, wall only, floor only or standard for full coverage.
